Please find the attached information sheets regarding your upcoming audiology appointment in our office. We look forward to working with you and helping you with your hearing needs. Your appointment will be with our audiologist, Amy Kerby.

Please be sure to arrive on time for your appointment. You may be asked to come 15 minutes before your appointment time to complete the insurance and medical history paperwork. The audiology schedule is nearly always fully booked, so if you are late to your appointment we may need to reschedule. If for some reason you are unable to keep your appointment, please call at your earliest convenience to reschedule so that another patient can utilize that time slot.

If you are unsure of any of the instructions or if you have questions, please contact our office at (972) 378-0633 or (214) 265-0800.
